

**Our Waste separation:**

Under the sink you will find the containers for:

**Tin  
Residual waste**

Beside the fridge:

**Organic („Bio“)  
Plastic  
Papier**

On the terrace:

**Glass (also broken) and PET bottles**

**Disposal:**

**Residual waste („Restmüll“)**

At the entrance, outside is the black locked box. The key for it you got together with the apartment key.

**Organic („Bio“)**

To the right of the entrance is a path back along the wall of the house,  
There you will find the green organic bin!  
Important: Use ONLY organic sack!

**Plastic**

You will find big yellow bag on the same place as the residual waste box.

**Sheet metal, Papier & glass**

We will remove it after your departure
